

# PNWIS 2007 Conference Call for Sponsors

Powering the Future  
Powering the Future  
Powering the Future

## PNWIS 2007: Powering the Future Cultivating a Cleaner Environment

October 17-19, 2007  
Doubletree Hotel-Riverside  
Boise, Idaho

PNWIS, an integral Section of the Air & Waste Management Association, is composed of several active Chapters in British Columbia, Washington, Oregon, Montana, Idaho, and Alaska. The PNWIS and its Chapters contribute to enhancing communication among industry, regulatory agencies, consultants, academia, and the community at large.

This three-day conference will provide an opportunity for professionals from the Northwest and beyond to learn from the technical sessions and networking events. Organizations with an interest in environmental issues can participate as a sponsor of PNWIS 2007. The conference typically attracts more than 300 delegates, speakers and exhibitors. Sponsors will benefit from visibility before, during, and after the conference.

Level	Amount	Sponsorship Package
<b>Platinum (Legacy) Sponsor</b>	<b>\$5,000</b>	<ul style="list-style-type: none"> <li>• Complimentary exhibitor's booth which includes one conference registration,</li> <li>• One additional conference registration,</li> <li>• Website and program legacy recognition,</li> <li>• Company logo on conference program, and</li> <li>• Company name and logo on banner in registration area.</li> </ul>
